Here is a story of a changed and transformed heart ...By JerryHere is a story of a changed and transformed heart that gives hope to anyone who has struggled with destructive, unGodly belief systems and hopelessness. Transformation, is indeed possible through faith in Jesus Christ and his redemption...restoration, a new life and the ability to live in victory!! You will be greatly encouraged by this passionate writer who gives us practical steps to find the freedom we are all looking for.

This book is designed to help us look deeply into the sanctification process, particularly for those who have been in bondage to substances and behaviors that have shadowed them for many years. It will unveil what are often hidden causes for an inability to find freedom from chronic sin patterns. While perfect holiness in our thoughts and actions may be unobtainable in this life, it is most certainly more obtainable than we can even imagine. This book is for those who want to go all the way with God, who truly want to be His disciple.
